Table showing literacy and knowledge of the English language among the various classes of the population of India, according to research paper business ethics

Demand by educated Natives for improved status and emoluments ... ib.

SYDNEY SMITH, AS TO THE EFFORTS OF THE MISSIONARIES IN INDIA.

At the time when the Despatch arrived, the Government of India was engaged in the war with Nepal, and

Efforts of the Missionaries, at which many thousand native youth are receiving a sound, and in

out of the question to recede in any degree from the pledges of the past;
